Thanks Todd, just covering all bases. We are reaching out and scheduling our people as we speak. 2:45 at Jackson St. correct?

Wally,

GLDD is working with Manor II to attain an agreement thus providing Manor II at all openings/closings. I should have an executed agreement in place by COB today. We appreciate your concern and agree that having Manor II on site is crucial. Thanks

Todd

Subject: RE: PASSAIC RIVER DREDGING

Gentlemen,

We are not budgeted to have the contractor Manor II on standby for this opening. We believe to have them present is crucial in the event of a malfunction. As you are aware, if we have issues closing the bridge it will cause chaos at morning rush hour. Leong, is Manor II available and can we get confirmation; who will finance this?

Subject: PASSAIC RIVER DREDGING

Gentlemen,

A meeting was held at the office of Essex County Engineer to discuss certain details about requested bridge openings related to Dredging and Cleaning of Passaic River.

None of the Counties have budgeted for the anticipated night time openings requested for this operations, therefore, CPG representatives agreed to reimburse the County for the overtime costs required for these bridge openings. The Counties need to provide CPG, with a list and hourly rate of employees to be used; each County will billed CPG monthly with a detailed information of personnel used. The list and hourly rate, can be provided directly to Matt Stanton and Stan Kaczmarek.

As a reminder, the bridges must be open Tuesday morning, with the first opening at Jackson St bridge around 2:45 am, and finishing at Kingsland Ave (DeJessa) around 5:15 am, please confirm that bridge operators will be available.

Thank you.

Luis E. Rodriguez

Subject: Major Venue Events - August thru November

Gentlemen -

Pleasure meeting face to face this morning. I thought it was productive.

Attached is the chart detailing the events scheduled at the major venues in Newark and Harrison - August - November
